Aion legion of war mod apk

Free Hack Aion Legions of War Tricks list code - improve stone, promotion, spirits, promotional ticket, invoke, chest, gem crystal, premium package, wiki, tutorial, Aion Legions of War cheating world: At first, Atreia was a single world with Aion in its center. It became shattered when the fury of the dragon, Fregion, divided the world into two, focusing on the Elyos and Asmodians of Atreia in a long and arduous war. In the midst of chaos, the five Balauran dragons tried to destroy everything, but the sacrifice of the twelve empirical lords ended the 1200-year parody of the Asmodian War of Elyos. Hacked version, trick codes - contact us: United States of America (USA) New York, 228 Park Ave S, NY 10 003-1502 With the balaur gone, Atreia entered a period of reconstruction and prosperity. But from the depths of the abyss, the fiery coals of wars began to spread to the borders of Elisea and Asmodae once again. After several centuries, the war came to a dead end... Until a priestess of Elyos on pilgrimage to the Abyss was abducted by the Asmodians. Led by Commander Candor, the silver legion is directed to the Abyss in a mission to rescue the priestess. This chapter of history will be remembered one day as the fall of legions. Start with Ren, a member of the Silver Legion who has suffered a cruel fate. Heroes: Ren - took the sword to keep a vote he made to his brother 8 years ago. After finally joining the silver legion as promised and arriving at the Abyss, the cruel prelude of destiny resonates. Astria - a priestess of Elyos trapped in a mass conspiracy. After being rescued from the prison of heaven, he stays with the silver legion to help Ren. Candor - the undefeated commander of the Silver legion. It is often referred to as the guardian of silver by the Elyos because of their heroic acts of valor on the battlefield. GearingAn engineer Shugo Mech, Gear joined the Silver Legion due to his unlimited enthusiasm for ancient technology and the desire to explore explore the abyss. leona - a mysterious Asmodian woman ren liberated from a confine. Despite his status as a prisoner of the silver legion, his role is that of a comrade. advice, game secrets for android: when an ability is interrupted, a combined state can be inflicted on enemies. You can buy several items like confineite, heroes, equipment, waking stones and more at the general store. the product list is updated automatically every hour. You can use gems to update the list of items whenever you want. Items that will suit you during your adventures, such as teams, heroes and confineite, can be purchased at the general store. Furthermore, there may be times when extremely rare products are stored. tutorial aion legions of war (wiki): ren finally has the opportunity that he was waiting and joins his first battle, heading to the prison of the sky to complete the mission of the silver legion. Ren discovers countless confineites while heading to the core prison of the sky with candor. As you approach the confineite, ren feels like a mysterious voice whispers in your ear. The general store is obliged to help you in your adventures. The head of the guild's dungeon reappears a while after being defeated. By playing the chief effect icon, you will be able to see the heroes who contrast it. The likelihood that your attacks are lost increases if the elemental compatibility is not in their favor. free secret key letter password (hack): 1. 4iypaFKD7n7LS&P - improve stone 2. noad8qNHzzlOTNM - promotion 3. yFE5UA4shD5474G - invoke 4. 00VT8FuYxwPMeV - promotion code 5.
